

JOB DESCRIPTION

POSITION:	Positive Space Network Student
Accepts Students:	Fall placements (Sept. start) Winter placements (Jan. start) Summer placements (May start)

The Positive Space Network, at ROCK- Reach Out Centre for Kids, works to ensure a future where diverse LGBTQ2S+ youth, individuals, and families live in a welcoming and supportive community. PSN began in 2012 to fill a crucial gap in services; We exist to cultivate safer and supportive spaces for LGBTQ2S+ youth; And we have an epic fun time doing it.

Key Responsibilities:

- Assist PSN staff to facilitate LGBTQ2S+ youth drop-in programs located across the Halton region.
- Assist PSN staff to facilitate an LGBTQ2S+ Youth Action committee
- Research and develop volunteer opportunities for LGBTQ2S+ youth
- Assist in the creation and operation of an LGBTQ2S+ lending library
- Represent the Positive Space Network on community youth committees and coalitions
- Assist in creating and promoting an annual LGBTQ2S+ youth event for Halton
- Promote, educate and increase awareness of the Positive Space Network's mission and vision through networking and community relations
- Support and empower LGBTQ2S+ youth in Halton

Qualifications:

- Social Service Worker students preferred
- Knowledge of LGBTQ2S+ communities and community relationship building skills
- Ability to work as part of a team to ensure the LGBTQ+ Youth Action Committee operates in a democratic and mutually supportive manner
- Commitment to working within an anti-oppression framework
- Excellent organizational skills
- Program development and implementation skills
- Strong interpersonal, verbal and written communication skills.
- Ability and willingness to work flexible hours including weekends when required
- Reliable transportation and the ability to travel across the Halton region.
